Test 07

Read the following text and answer the questions.

Senith and Tharuki were visiting their uncle's house near the sea. One morning, their uncle offered to take them to Smuggler's Cave. At first, Tharuki refused to go.

"I'm not interested in caves," she said. "They're dark and cold. I want to go to the beach."

"I promise to take you to the beach in the afternoon," their uncle said. "Let's go to the cave this morning. You'll enjoy hearing the story of the smugglers."

Finally, Tharuki agreed to go.

"It's huge," Senith said, when they arrived. "Can we go inside?"

"Of course!" replied their uncle. "But stay near me. There are lots of tunnels. Smugglers used to hide here. Once, a group of smugglers got lost for a week!"

"Imagine being here for a week!" said Senith. "It would be really **scary**."

They started exploring the dark tunnels. After an hour, their uncle started to look worried.

"I forgot to bring a torch," he said. "I don't know where we are."
